

Abortion & America's Economy

If we would stop murdering our babies in the womb, God could place more of His blessing on our economy. The Bible is replete with warnings about the connection between slaughtering children and economic crisis. Morals affect Money!!!!

Mat 19:14 MSG - But Jesus intervened: "Let the children alone, don't prevent them from coming to me. God's kingdom is made up of people like these."

Mat 2:17-18 NLT - Herod's brutal action fulfilled the prophecy of Jeremiah: "A cry of anguish is heard in Ramah— weeping and mourning unrestrained. Rachel weeps for her children, refusing to be comforted—for they are dead."

Murder is a serious sin that cannot go unpunished by God. A nation cannot continue to slaughter its unborn by the millions without consequences. Our economic woes in America today are not the result of any single presidential administration, but rather the inevitable consequence of murdering millions of our own babies in the name of "choice" year after year. Our broken economy is the direct result of years of wicked ideology by rebellious feminists, rebellious politicians of both parties, rebellious judges, rebellious educators, and rebellious parents. Abortion is the direct result of having removed prayer from public schools, teaching the error of evolution as fact, removing the ten commandments from public places, rewriting American history, and rampant immorality in the arts and entertainment industries. The family unit and the home are disintegrating!

Proverbs 28:2 NLT - When there is moral rot within a nation, its government topples easily. But with wise and knowledgeable leaders, there is stability.

Proverbs 31: 8-9 NLT - Speak up for those who cannot speak for themselves; ensure justice for those who are perishing. Yes, speak up for the poor and helpless, and see that they get justice.

Psalms 14:1 KJV - The fool hath said in his heart, *There is* no God. They are corrupt, they have done abominable works, *there is* none that doeth good.

Exodus 20:13 NLT - Do not murder.

Galatians 6:7 KJV - Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

It was **SIN** that got Adam in trouble and resulted in his economic crisis...
the work of his hands being cursed with thistles and thorns.

It was the **SIN OF MURDER** that got Cain banished and cursed with
constant economic crisis for the rest of his life!

**Could God be saying something in our mortgage crisis, our Wall
Street crisis, and in our Gas Price crisis? Could God be trying to get
our attention by withdrawing some of His protection?**

*“America, repent!
Stop murdering My babies, and
I’ll speak life over your economy, yet again!”*

Is what is important to God also important to us?

Good News!!!

There is a way out of this judgment!
There is a way out of this economic crisis!

It’s in The Promise! Hallelujah!

The Promise:

2 Chronicles 7:14 KJV - **If** my people, which are called by my name, shall
humble themselves, and pray, and seek my face, and turn from their
wicked ways; then will **I hear from heaven, and will forgive their sin,
and will heal their land.**
