

Break The Back Of Lack!

By Dr. Dan Cheatham, www.devotional.net

1. Choose to HATE LACK like God hates it. It must become intolerable to you! Until LACK becomes despicable to you and until you view LACK as a wicked evil thing from the pit of hell, you will continue to tolerate it. One must view Lack & Poverty as a dirty thing, the same way they view sin. Ask anyone living in a third world underdeveloped country if there is one good thing they can say about poverty and lack. Lack causes starvation, bankruptcy, failure, and only brings stress! Lack robs human dignity and creativity. Financial problems are statistically the number one cause of divorce in America. (Dt 8:9, Ps 34:9,10, 1 Th 4:12)
2. MUST BE IN GOD'S WILL (Living in a place called "There," doing a thing called "That," at the period of time called "Then." God told Elijah to go to the brook Cherith and that "THERE" He would feed him. Then later he told Elijah to go to a widow and that "THERE" his needs would be met. Phillipians says, "If I may apprehend THAT for which God apprehended me," meaning what God has called us to do in this life. The Bible says that after 40 years on the backside of the desert "THEN God appeared" to Moses and told him to go deliver his people, meaning that timing is crucial.)
 - a. Must be in the will of God geographically. God made Places before He made Faces. To Prosper, the Right Faces must be in the Right Places. (Psalm 16:5,6 NIV)
 - b. Must be active in the Local Church God chooses for you to be a part of. (Eph 1:19-23 PETERSON, The Message)
 - c. Must treat your wife right. (1 Peter 3:7)
 - d. Must be in God's chosen career field or vocation. DO YOU LOVE WHAT YOU DO? (Eccl 3:13)
3. CONSISTENT TITHING from all your income sources tips the scales of Divine Favor in your favor. (Pr 3:9,10)
4. SOW SACRIFICIAL SEED over and above your tithe as the Lord leads and your heart stirs. (He 13:16)
5. Understand that SOWING UP to successful men of God & ministries yields increased Wealth. And that SOWING DOWN to the poor yields increased Health. (Isaiah 58)
6. Seek creative ways to ELIMINATE "THE SALARY CAP." (Jacob and father in law, Dt. 28:8 God's primary way to prosper you is "work of your hands." But if the only income of the "work of your hands" is capped by men or a company, it is difficult for you to receive all the promised harvest.)
7. TALK PROSPERITY TALK. (Mk 11:22-24, Prov 18:21) YOU HAVE WHAT YOU SAY, whether it be POVERTY or PROSPERITY! The words of our mouths are the Signatures by which we sign for God's Fed-Ex packages or either the devil's False Bill Of Goods!
8. HAVE A DREAM that requires more resources than you presently have and that requires God's active participation to pull it off. (Ps 37 He will give you the DESIRES of your heart)
9. When in great need, sow a HUGE (relative depending on your income) MEMORIAL OFFERING. (Acts 10:4) Also I have found that fasting and prayer against a season of lack really brings results quickly. While fasting, increase your CONFESSIONS of SCRIPTURES that promise plenty, prosperity, riches, and wealth. Also while fasting, become more militant and attack the invisible demons of poverty that have tried to cut off and/or delay your financial flow. Rebuke them aloud in prayer and quote prosperity promises to the devils face like Jesus did in the wilderness of temptation. "IT IS WRITTEN!..."

10. **PRAY FIRST** before making major purchases to be sure God approves. “Act Your Wage” while God is slowly but surely increasing you. (Ps 37 In all thy ways acknowledge Him...) Eliminate waste in your budget. Your financial life is determined by three things: 1)what you **SOW**, 2)what you **SAVE**, and 3)what you **SPEND**. One wealthy believer I know has lived like this since childhood. He always **SOWED** 10%+, **SAVED** 10%, and **LIVED** on the rest. Today he is an extremely wealthy man.
